**PG ACADEMIC NOTIFICATION NO. 11/2010**

***“PROCEDURE FOR SUBMITTING THESIS  
BY D.M. / M.Ch. students”  
(FROM ACADEMIC YEAR 2010-2011)***

***Ref: Academic Council Resolution No. 228/2009 dated 19/12/2009.***

This is notified to all concerned that the matter of need to submit thesis by **students of D.M. / M.Ch.** of the affiliated Colleges/Institutes was placed before Board of Studies (Superspeciality Medicine & Allied AND Superspeciality Surgery & Allied) & Faculty of Medicine meetings held on 05/10/200 & 09/10/2009 respectively.

After deliberate discussion on this issue, it was recommended that

1. A Superspeciality student should get training in Research Methodology, hence he/she has to undergo a course in Research Methodology which should be mandatory.
2. At Superspeciality level Dissertation is not required. However Research is an important component hence research project is necessary. The evaluation of the research can be done by following the procedure as mentioned below.
  - (i) A student has to write a paper based on the research done by him/her.
  - (ii) The paper will be reviewed by three members who will constitute an Institutional Academic Committee/Internal Research committee/ an equivalent Institutional committee having one member as the subject expert.
  - (iii) The research paper will be sent to the examiners for the purpose of evaluation. The assessment will be done as a separate head during the viva.
3. The research paper should be submitted by the student within **six months before the final examination** to the committee mentioned above i.e.2 (ii) and **three months before the final examination** to the University.

The Dean / Principal of all affiliated Colleges/Institute are requested to apprise all concerned on the subject.
