

Maharashtra University of Health Sciences, Nashik
List of Approved Title of Dissertation for Academic Year 2008-09 under the
faculty of Homoeopathy (Post Graduate)

Sr. No.	Approved Title of Dissertation
Homoeopathic Materia Medica (M.D.Homoeopathy)	
1	Comparative Clinical Study of Mental Symptoms of Belladonna, hyocyamus & Stramonium.
2	Study of loganiaceae family with special emphasis on ignatia.
3	Homoeopathic management of Bronchial Asthama Homoeopathic with special emphasis on Kali group of remedies.
4	Study of efficacy of Sycotic Co.In the Management of Osteoarthritis.
5	Comparative study of Pulsatilla and cimicifuga in female disorders.
6	Study of efficacy of calcarea phosphorica in the Management of Osteoporosis.
7	Efficacy of Homoeopathy in Management of Alopecia Areata with special emphasis on calcarea Carb, Sulphur, Lycopodium.
8	Utility of Syphilinum in Homoeopathy.
9	Utility of location in study of Materia Medica.
10	Comparative study of Nitric Acid & Thuja in cases of warts.
11	Comparative study of Lachesis and pulsatilla.
12	Homoeopathic approach in the cases of Metabolic syndrome.
13	Utility of Tuberculinum Bovinum in Rheumatic Fever.
14	Homoeopathic Management of Behavioral Abnormalities especially of Breath Holding Spasms seen in Children.
15	Study of different aspects of 'Silicea' with its utility in clinical practice.
16	Efficacy of Homoeopathy in the Management of Alopecia.
17	Study of efficacy of homoeopathy in management of examination phobia.
18	Role of specific Anti- Miasmatic forces in various skin diseases.
19	Study of the clinical importance of Coniferae in homoeopathic practice with special emphasis on thuja occidentalis
20	Depression:- Its Psycho-Social aspect and Homoeopathic Management-A study.
21	Understanding the symptomatology of medorrhinum through various materia medicas and its role as intercurrent remedy.
22	Comparative study of pulsatilla and sepia in menstrual disorders.
23	Study of characteristics of lilliaceae family Medicines and their Clinical utility in catarrhal affections.
24	An Evolution of Anxiety and its expression in argentum Nirticum, Arsenicum Album and Lycopodium with its Clinical Varification
25	Efficacy of Homoeopathic Remedies in Hyperemesis Gravidarum

Note:- 1) Approved Title of Dissertation shall be considered as the final Title of Dissertation, while submitting the final Dissertation to the University

2) The above mentioned Titles of Dissertation are the only approved Titles. These doesn't depict that, the Dissertation of P.G. students is accepted by the University.

List of Approved Title of Dissertation for Academic Year 2008-09 under the
faculty of Homoeopathy (Post Graduate)

Sr. No.	Approved Title of Dissertation
Homoeopathic Materia Medica (M.D.Homoeopathy)	
26	A study of Characteristics of Papaveraceae family & therupatic application of Medicines from the family.
27	A study of remedy profile and clinical varification of Homoeopthic medicines used in the treatment of leucorrhoea.
28	Efficacy of Homoeopathic Remedies in Calcanean Spur
29	Efficacy of Homoeopathic Remedies in Pregnancy Induced Hypertension.
30	The study of emotional symptoms of Row 3 remedies of the Periodic table in the treatment of PCOD.
31	Efficacy of 'Arsenicum Iodatum' in the Homoeopathic management of Bronchitis
32	Compare and constrast the evolution of kali carbonicum and sepia in females Patients.
33	Compare and contrast the evolution of reservedness in natrum MUR. And silicea Patients.
34	Compare and constrast the hyperactivity of tarentula hispanica, tuberculinum and calcarea-iodatum, in Paediatric age group Patients.
35	Compare and contrast the evolution of sadness in nutrum group and aurum group Patients.
36	Study the various defense Mechanisms used by carcinosin.
37	Study of the Efficacy Homoeopathic Medicines in Treatment of "Dematophytosis.
38	Study of the Utility of Homoeopathic Medicines in Minor Depressive Disorder Resulting From Psychosocial Factors.
39	Study of Causticum and its utility in clinical practice.
40	Study of Sulphur in detail and its clinical utility.
41	Clinical Utility of Natrum sulphuricum in Homoeopathy.
42	Study of "Natrum Muriaticum" and it's Clinical Utility in cases of essential Hypertension
43	Role of Staphysagria in urinary tract infection.
44	Efficacy of Pulsatilla in post eruptive (viral) Pneumonia especially in children.
45	Efficacy of Cina Santonin in Management of Worm Infestation.
46	Clinico Pathological Study of Baryata Group and its Utility.
47	Homoeopathic Management of Uterine Fibriod with Calcarea Flour, Sepia and Ustilago-A detail study.
48	Detailed study of Papaveraceae family in Homoeopathy with special emphasis on Opium.
49	Scope of homoeopathic treatment in management of "measles.

Note:- 1) Approved Title of Dissertation shall be considered as the final Title of Dissertation, while submitting the final Dissertation to the University

2) The above mentioned Titles of Dissertation are the only approved Titles. These doesn't depict that, the Dissertation of P.G. students is accepted by the University.

Sr. No.	Approved Title of Dissertation
Homoeopathic Materia Medica (M.D.Homoeopathy)	
50	Molluscum Contagiosum- A Homoeopathic approach.
51	Clinical Study & Etiology of Depression according to Dr. Hahneman and its response to Homoeopathic Remedies.
52	A detailed study of Magnesium group with special emphasis on Magnesium. Phos.
53	Efficacy of Muriatic Acid in ano- rectal complaints especially Haemorrhoids.
54	Study of Papaveraceae family medicines with special emphasis on Opium.
55	Utility of fish group medicines with special emphasis on sepia
56	Study of Hyperthyroidism and its Homoeopathic Management.
57	Efficacy of Natrum Group in Hypertension.
58	To study the clinical profile of sciatica & its Homoeopathic Management.
59	Cervical Cancer and Homoeopathy - A CUI Bono.
60	Allergic Rhinitis- A Homoeopathic approach.
61	Vaccinosis and its Homoeopathic Treatment.
62	Study of evolution of fever cases and its indications in LOGANIACEA family with special reference to GELSEMIUM.
63	Efficacy of Sulphur in Haemorrhoids.
64	Role of Homoeopathy in Anxiety with special emphasis on A conite.
65	Acute diarrhoea in children with it's Homoeopathic Management.
66	Solanaceae family and its clinical application.
67	Role of Homoeopathy in the treatment of patients with uterine fibroids(myomas)
68	Scope and efficacy of Homoeopathic Medicines in Hypothyroidism.
69	Role of Spider poison in Homoeopathy.
70	Understanding the Conceptual image of PLATINA through Homoeopathic Materia Medica.
71	Indifference & it's approach with Nat Mur & Sepia.
72	Scope of Homoeopathy In Skin Disorders.
73	Falling of Hair--- A Search From Homoeopathic Perspective.
74	A detailed analytical study of Papaveraceae Family with special reference to Opium.
75	Anti - sycotic medicines in the management of uterine fibroids.
76	Analytical Review of Hahnemannian Great Antipsorics, Sulphur, Calcarea & Lycopodium along with their relationship.
77	Management of psycho-somatic problems Among adolescent girls With Constitutional Homoeopathic medicines.
78	Study of Metal Group of Drugs with special emphasis on Aurum metallicum and its utility in clinical practice.
79	Efficacy of Kali & Ferrum group in management of renal failure affected by Nsaid's.
80	Study of the utility of carbon group medicines in management of psoriasis.

Note:- 1) Approved Title of Dissertation shall be considered as the final Title of Dissertation, while submitting the final Dissertation to the University

2) The above mentioned Titles of Dissertation are the only approved Titles. These doesn't depict that, the Dissertation of P.G. students is accepted by the University.

Sr. No.	Approved Title of Dissertation
Homoeopathic Materia Medica (M.D.Homoeopathy)	
81	Utility of Ranunculaceae family medicines in arthritis.
82	Study of Mercurius and its role in Homoeopathic management of gastrointestinal disorders.
83	Homoeopathic Management of Common Skin problems, especially the diseases of skin appendages & cosmetic problems in teenagers.
84	Study of efficacy of "Thyroidinum" for increasing height in cases of physiological short stature constitution.
85	Study of solanaceae group medicines with special emphasis on stramonium.
86	To study Portrait formation of Arsenic Album.
87	Utility of Homoeopathic medicine in hypertension.
88	Role of Homoeopathic Medicines in Primary Dysmenorrhoea.
89	A Clinical Study On Homoeopathic Management of Furuncle And Folliculitis with Silicea and Hepar-Sulph.
90	Study of Homoeopathic Remedies in Reference of Moon Phases.
91	Efficacy of Arsenic & Antimonium group in management of Allergic Bronchitis with the help of Homoeopathic Materia Medical
92	Study of Vertigo and Scope of Homeopathic Medicines In Its Management. Under Heading of Natrum Mur, Silicea, Pulsatilla, Kali Bich, Cal Fluor.
93	Homoeopathic Approach to Management of Depressive Mood Disorders.
94	Study of Oophorinum As a Effective Medicine For Polycystic Ovarian Disease and Its Cure with Other Constitutional Medicines.
95	Study of Utility of Calcarea Group in Treatment of Obesity
96	Study of Lycopodium with Special Reference to its Personality & Ascertaining its Utility in Clinical Practice.
97	Homoeopathic Management of Bronchial Asthama with Special Emphasis on Kali Group of remedies.
98	Efficacy of Homoeopathic Medicine in the Management of Alcohol Addiction.
99	To Study the Importance of causation in Homoeopathic Prescription with Special Emphasis on Plant Kingdom.
100	Study of efficacy of Homoeopathic Medicines in the Treatment of Frozen Shoulders with aid of physical Medicine.
101	Study of efficacy of Homoeopathic Medicine in the Treatment of Polycystic Ovarian disease(PCOD)
102	The bridge between Disease State & Substance through the study of sea animals.
103	Efficacy of Homoeopathic Medicine on hair and Cosmetology.
104	Utility of Indian drugs in common rural health disorders.
105	Detail study of Characteristics of Antimony group with special emphasis on Antimony Tartaricum.
106	Role of Homoeopathy in the Treatment of Cholelithiasis with special Emphasis on Fel Tauri
107	Understanding the Evolution of Personality and Concept of Aurum Group of Remedies.

Note:- 1) Approved Title of Dissertation shall be considered as the final Title of Dissertation, while submitting the final Dissertation to the University

2) The above mentioned Titles of Dissertation are the only approved Titles. These doesn't depict that, the Dissertation of P.G. students is accepted by the University.

List of Approved Title of Dissertation for Academic Year 2008-09 under the faculty of Homoeopathy (Post Graduate)

Sr. No.	Title of Dissertation
Organon of Medicine(M.D. Homoeopathy)	
118	Study of Totality of Symptoms in Allergic Rhinitis.
119	Study of Susceptibility and Miasmatic Evaluation of Diabetes Mellitus.
120	Assessment of Susceptibility in Primary Hypertension.
121	Essential Follow- Up Criteria in the Treatment of Bronchial Asthma.
122	Criteria For Identifying Susceptibility in Chronic Eczema.
123	Rational Points in Homoeopathic Prescribing- Organon Based.
124	Characteristic Symptom: Its Importance In Evaluation And Individualization Of a case.
125	Miasmatic Approach while Treating Acid - Peptic Disorder.
126	Role of Homoeopathy in Antenatal care and Its Miasmatic study.
127	Scope of Homoeopathy in cases of Chronic Bronchial Asthma.
128	Study of role of susceptibility in clinical presentation of rheumatoid arthritis and its implication in Posology.
129	Study of the concept of etiology in Modern Medicine & Homoeopathy and Its Implication in Homoeopathic Practice.
130	To Evaluate the Role of Miasms in Clinical Presentations of Psoriasis.
131	Studying the Clinical Presentation and its Correlations With Miasms in Cases of Chronic Suppurative Otitis Media.
132	Homoeopathy Concept of Temperament and its study in cases of Nephrolithiasis.
133	To Demonstrate: Importance of Concept of Unprejudiced Observer in Case Taking.
134	To Study The Utility of Subjective Symptoms in the Treatment of Primary Dysmenorrhoea.
135	Histrionic Personality Disorder- A Miasmatic Study.
136	To Study Utility of Objective Symptom(s) in Homoeopathic Prescribing in cases of Tonsillitis in Children.
137	Leucorrhoea & its Miasmatic approach in Homoeopathy.
138	Understanding of warts and its Miasmatic approach with Homoeopathy Management.
139	Study and Practical Utility of different Scales of Potencies used in Homoeopathy.
140	Study of constitutions- Special Emphasis on Temperament in Homoeopathic prescribing.
141	Understanding concept of forming totality in different types of Acute diseases with clinical cases.
142	Role of Homoeopathy in Acute prescribing.
143	Study of sycotic miasm in chronic constipation with specific reference to calcarea carb.
144	Efficacy of Hering's law of cure in sinusitis.

Note:- 1) Approved Title of Dissertation shall be considered as the final Title of Dissertation, while submitting the final Dissertation to the University

2) The above mentioned Titles of Dissertation are the only approved Titles. These doesn't depict that, the Dissertation of P.G. students is accepted by the University.

List of Approved Title of Dissertation for Academic Year 2008-09 under the faculty of Homoeopathy (Post Graduate)

Sr. No.	Title of Dissertation
Organon of Medicine(M.D. Homoeopathy)	
145	Efficacy of Homoeopathy in the management of D.M. Type II by applying the law of Similia.
146	Miasmatic Approach in the treatment of Gall Stone.
147	To study the concept of totality according to Dr. C.Von Boenninghausen's Philosophy.
148	Value of different observational factors (ref. to organon aphorism 90 foot note) as suggested by Dr. Hahnemann in clinical practice.
149	Miasmatic approach in Gastric disorder.
150	A study to demonstrate the value of written History in planning a case taking.
151	Constitutional Approach in Management of Acne Vulgaris.
152	Philosophical study of infective hepatitis and management.
153	Miasmatic approach of polycystic ovarian disease-A clinical study.
154	Miasmatic Expression & Homoeopathic approach in management of various dermatological conditions consequential to Cosmetic treatment.
155	The Role of Homoeopathy in management of various Respiratory diseases caused due to traffic pollution.
156	To study efficacy of Homoeopathic treatment in the case of skin ABSCESS.
157	To study the effects of constitutional treatment in allergic bronchitis.
158	Importance of 50 Millisimal potency in homoeopathy.
159	Homoeopathic Approach in treatment of dandruff.
160	Role of concomitant and characteristic symptoms in prescribing drug in acute cases.
161	Importance & Utility of Water Potency in Homoeopathic Practice.
162	Hahnemann's concept of intermittent Fever.
163	Decoding case receiving from Hahnemannian time till today.
164	Scope of Homoeopathy in Gout with emphasis on diet during Management.
165	A study on Homoeopathic Management of Ulcerative colitis with Miasmatic Evaluation.
166	Scientific approach to Homoeopathy along with application of Organon of Medicine.
167	Role of mental Symptoms and Miasm in the treatment of Psoriasis.
168	Miasmatic approach towards management of Paresis and Paralysis.
169	Miasmatic approach in Sebaceous Dermatitis.
170	Miasmatic approach in Tinea infection. /Its Homoeopathic Management.
171	Homoeopathic Management in HIV/AIDS Asymptomatic cases through Miasmatic Approach.
172	Analyzing the role of Susceptibility in Hypertension.
173	Miasmatic Evaluation in Rheumatoid Arthritis Special reference to Rhus Toxicodendron , Kali Iodum, Ledum pal.

Note:- 1) Approved Title of Dissertation shall be considered as the final Title of Dissertation, while submitting the final Dissertation to the University

2) The above mentioned Titles of Dissertation are the only approved Titles. These doesn't depict that, the Dissertation of P.G. students is accepted by the University.

List of Approved Title of Dissertation for Academic Year 2008-09 under the faculty of Homoeopathy (Post Graduate)

Sr. No.	Title of Dissertation
Organon of Medicine(M.D. Homoeopathy)	
174	Comparision of decimal and centesimal potency in acute gastro intestinal disorder.
175	Study of sycotic manifestation of bronchial asthma.
176	Analytical study of psoric miasm in irritant contact dermatitis.
177	A Clinical Study on the Efficacy of LM Potencies in Allergic Rhinitis.
178	Sycotic Miasms- its reflection as seen through cases.
179	Role of Homoeopathy in menstrual irregularities.
180	A Clinical Study of the efficacy of miasmatic prescription in the management of renal calculi.
181	Significance of Miasms in the Management of Osteo Arthritis of Knee Joint
182	Miasmatic Approach towards case of chronic renal failure.
183	Utility of Miasm in Hyperthyroidism.
184	Acute disease and Homoeopathy.
185	To study the sycotic miasm especially in hypothyroidism of adults with its Homoeopathic management.
186	Efficacy of Homoeopathic medicines in suppressed disease conditions with miasmatic treatment.
187	Miasmatic Approach in cases of "Depression".
188	Miasmatic Approach To words D.U.B. and its Homoeopathic Management.
189	Detail Study of Classification of Chronic disorders by Dr. Hahnemann
190	Role of Homoeopathic medicine in suppressed disease conditions with miasmatic treatment.
191	A comparative study of different approaches to find out the similia concept of different pioneers.
192	Study of miasmatic background of allergic rhinitis & it's Homoeopathic Management.
193	Clinical approach of organon of medicine in acute abdomen
194	Scope of Organon of medicine and Homoeopathy in management of enuresis.
195	Scope of Organon & Philosophy in the treatment of anxiety disorders.
196	Efficacy of Homoeopathic Remedies and Miasmatic Approach in the diseases of Larynx and Traches.
197	Role of Homoeopathic Medicine in the treatment of vertigo through miasms.
198	Study of Miasmatic Background of Menorrhagia and its Homoeopathic Management
199	Utility of Homoeopathy in Malaria.
200	Study of miasmatic Evaluation in Typhoid Fever and its Homoeopathic Management.
201	Clinical Assessment of Efficacy of Homoeopathic Drugs in iron deficiency Anaemia in Pregnant Women with Special Reference to Miasmatic Study.
202	Efficacy of Homoeopathy in Respiratory tract Allergies in children.
203	A Prospective study of approach of Homoeopathy in Management of functional dyspepsia with special reference to miasmatic study.

Note:- 1) Approved Title of Dissertation shall be considered as the final Title of Dissertation, while submitting the final Dissertation to the University

2) The above mentioned Titles of Dissertation are the only approved Titles. These doesn't depict that, the Dissertation of P.G. students is accepted by the University.

List of Approved Title of Dissertation for Academic Year 2008-09 under the faculty of Homoeopathy (Post Graduate)

Sr. No.	Title of Dissertation
Organon of Medicine(M.D. Homoeopathy)	
204	Evaluation of Homoeopathic Constitutional Approach for Treating Sequela of Chikungunya
205	Diabetes Mellitus & Complications and Management.
206	A study of miasmatic evaluation and scope of Homoeopathic Medicines in Management of complications of diabetes mellitus.
207	Role of Homoeopathy in G.E.R.D. (Gastric Erosive Reflex Disorder.)
208	Role of Placebo as second prescription.
209	Miasmatic Diagnosis and Homoeopathic Management of Rheumatism.
210	Role of Miasm in Management of Dermatological Affection.
211	Stress and its Homoeopathic Management.
212	Study of Hahnemannian modified methods in Homoeopathy.
213	Eczema and Homoeopathic aggravation.
214	Miasmatic Evolution of kali group in Homoeopathic medicine & Its Clinical application.
215	Application of Theory of Miasm In Resolving Various Reversible Pathological Conditions.
216	Anamnesis-a real tool to approach patient Homoeopathically.
217	Efficacy of Homoeopathic management in the cases of B.P.H. (Benign prostatic hypertrophy) with Miasmatic Approach.
218	Scope of Homoeopathy in Acid Peptic Disorder through miasmatic approach.
219	To study 'Totality of Symptom' (Individualization) in Pediatric Pyrexia and its Clinical Demonstration.
220	Efficacy of 50 Millesimal Potencies in the treatment of Acid Peptic Diseases.
221	Exploring Utility of Temperament through Constitutional Similimum.
222	Study of miasmatic Evaluation in Typhoid Fever and its Homoeopathic Management.
223	A study of miasmatic evaluation and scope of Homoeopathic Medicines in Management of complications of diabetes mellitus.
224	Role of Placebo as second prescription.
225	Patients appearance and observation in relation to constitution and miasm.
226	Miasmatic Evaluation of Paralysis And its Management.
227	Study of Individualisation and its application in Homoeopathy.
228	Importance of Susceptibility and Miasms in the management of chronic diseases.
229	A Prospective study of approach of Homoeopathy in Management of functional dyspepsia with special reference to miasmatic study.
230	Evaluation of Homoeopathic Constitutional Approach for Treating Sequela of Chikungunya
231	Role of Homoeopathy in G.E.R.D. (Gastric Erosive Reflex Disorder.)
232	Totality of Symptoms its utility and importance in Homoeopathic practice.
233	The significance of Homoeopathic aggravation in clinical practice.

Note:- 1) Approved Title of Dissertation shall be considered as the final Title of Dissertation, while submitting the final Dissertation to the University

2) The above mentioned Titles of Dissertation are the only approved Titles. These doesn't depict that, the Dissertation of P.G. students is accepted by the University.

List of Approved Title of Dissertation for Academic Year 2008-09 under the
faculty of Homoeopathy (Post Graduate)

Sr. No.	Title of Dissertation
Repertory(M.D. Homoeopathy)	
234	In Depth study of Minton's Uterine repertory and its application as seen through cases.
235	Understanding dreams and its related rubrics from complete repertory.
236	Utility of Chapter Children from Murphy's repertory in clinical practice.
237	Comparative study of Synthesis Repertory and Kent Repertory in management of Cervical Spondylosis.
238	Study of Indian drugs through different repertories.
239	A Comparative study of utility of Complete BBCR and Murphy's Repertories for management of Obesity.
240	Role of Kent's Repertory in the treatment of Urticaria in Urban Population.
241	Study the utility of Kent's Repertory in GERD (Gastro Esophageal Reflux Disease) in Type a Personality and its Homoeopathic management. .
242	Understanding role of Snake remedies using complete repertory in the treatment of Irritable Bowel Syndrome in Urban Population.
243	Efficacy of Kent's Repertory in management of Urinary Tract Infections.
244	Utility of Synthesis repertory in management of tension Headache.
245	Study of Utility of Phatak's Repertory in Acute Prescribing.
246	Study of Utility of Repertorisation Module of ISIS Vision in Homoeopathic Practice.
247	Study of Utility of Vithoukias Expert System Vis-A- Vis Kentian Approach through Radar 9.1.
248	Study of Utility of Complete Repertory in The Management of Warts.
249	Study of Various Techniques of Case Taking in Acute Emergencies in Casualty.
250	Study of Boger's Approach in Acute Diseases with the help of Boenninghausen's Characteristics and Repertory by Boger's
251	Study the Utility of Complete Repertory in Management of Acne.
252	To Study the Utility of Synthesis Repertory in management of 'Allergic Rhinitis'.
253	Efficacy of Murphy's Repertory in Treatment of Conjunctivitis.
254	Study of Rubric Gesture from Complete Repertory showing its Significance in Prescribing Totality.
255	Study of Kent Final General Repertory showing it's Clinical Utility in Cases of Gastritis.
256	Study of Lippe's Repertory & showing its Utility in cases of Cervical Spondylosis.
257	Understanding Repertorial Totality and Potential Differential Field through Murphy's Repertory with Clinical cases.

Note:- 1) Approved Title of Dissertation shall be considered as the final Title of Dissertation, while submitting the final Dissertation to the University

2) The above mentioned Titles of Dissertation are the only approved Titles. These doesn't depict that, the Dissertation of P.G. students is accepted by the University.
