## Invitation

Dear Colleague,

It gives us great pleasure to invite you to the 3<sup>rd</sup> International Conference of South Asian Chapter of ACCP on “**Drug Discovery & Development - Challenges in Partnership**” to be held on 2-4<sup>th</sup> October 2009 in Mumbai, India.

The meeting is unique and is being held in partnership with University, Medical College and Indian Drugs Manufacturers' Association (IDMA). It will include hands-on workshop, guest lectures, oral and poster presentations, award papers, free papers and panel discussions. Experts from India, USA, UK, Hong Kong, Bangladesh, Nepal and other countries will deliver guest lectures and share their experiences.

The conference will be beneficial for those actively involved in Drug Discovery and Development, Pharmacology and Clinical Pharmacology - budding student scientists, academicians, physicians, pharmacists, those working in pharmaceutical industry, government agencies, contract research organizations (CROs) and regulatory bodies.

We invite you all to actively contribute and participate in the meeting.
