Subject: - Regarding Consortia of Paid Online Scientific Journals

Sir / Madam,

With reference to the above subject, the University intends to start online consortia of paid online journals. In the primary phase of project, the University wants to start this project for Medical, Dental & Nursing faculties. As of now, this is the biggest consortium in India for Health Sciences. The faculty-wise primary budget for the said consortium is as under:-

SN	Faculty	No. of Journals	Cost per year per College
1	Medical	586 (BMJ-23,AMA-10, Oxford -62, Springer – 182, LWW–91, ADIS– 18, Blackwell-200)	13,00,000
2	Dental	26 (Blackwell – 26)	3,00,000
3	Nursing	102(LWW – 64 , Blackwell – 38)	3,00,000

Only those colleges that become members of this consortium will have the privilege of accessing Fulltext Articles, Contents of the Journals right from their desktops. A list of journals that will be included in the online consortia is attached herewith (see Annexure).

The University intends to start this project from 1st January -2008. Colleges who wish to join the project should have minimum five years membership of consortium. The benefits to join the consortium are as below.

1. Colleges will have access to the world's renowned journals right on their desktops at a very low cost.
2. The colleges becoming a part of consortium will be given some benefit in the LIC inspection carried out by MUHS especially in the Library part.
3. University will give multiple/ sharing level access to colleges so that more than one computer can access consortium in colleges / Residence. The only criteria for accessing consortium is, college should have fixed IP

(Internet Protocol) which will be Provided by Internet service Provider (ISP).

Hence, you are requested to communicate your willingness to the project on or before 5th October 2007 by agreeing to pay Rs. 13 Lakhs every year for Medical & Rs. 3 Lakhs each for Dental & Nursing Colleges. For any further query / information, you may contact to In-charge - Computer Section, MUHS on 0253-2539180.

Subject: Regarding Consortia of Paid Online Scientific Journals
Reference : Our Letter No. MUHS/Comp/270/07 dt. 17/09/2007

Dear Sir / Madam,

This has reference to our letter number MUHS/Comp/270/07 dated 17/09/2007 vide which your consent was asked for to initiate the project for Medical, Dental & Nursing faculties.

Since the project is to be launched on 1st January 2008, we have invited your response on or before 05th October 2007. But it is to our dismay that the response is scanty. As the focal point of the project being **Dissemination of Knowledge** it is decided to extend the date up to 05th December 2007.

Thus, you all are requested to review the project and respond on or before 05th December 2007. For any further query / information, you may contact to In-charge - Computer Section, MUHS on 0253-2539180.

One more time we wish to say that we appreciate your concern.

Thanking you.
