Regarding Internal Assessment Marks for Winter - 2011 Examination

It has been observed that some of the colleges have approached the University for Change in Internal Assessment marks after initial submission OR even after declaration of Final result on various frivolous grounds. No request for 'change of marks' can be entertained once marks have been submitted by the College. It has therefore been decided that hence forth Internal Assessment mark lists will only be accepted in case it is signed by the student with counter signature of HOD/Dean of the college as provided for in Ordinance 1/2002 (amended).

Liability of any clerical error at college level will rest with the Dean and HOD Concerned. You are therefore requested to go into all details before submitting the Internal Assessment mark lists.

While Preparing Final Marks of Internal Assessment the rounding mechanism as illustrated in following table should be applied from May/June – 2007 Examination as per BOE resolution No. 07/2007 dated 08.01.2007.

Internal Assessment Marks	Final Rounded Marks
15.01 To 15.49	15
15.50 To 15.99	16

The Software for submission of Internal Assessment marks will be available on University website around 07th October 2011. Final Internal Assessment mark lists are to be submitted to the University on or before 21st October 2011. Your attention is drawn to submit Internal Assessment marks of repeater students in a separate format as specified by the University. No Internal Assessment mark lists will be accepted thereafter.
